A unique and inspiring venue for your event

M shed is a world-class cultural landmark set on the harbour side in the heart of Bristol. Holding an event here provides unrivalled opportunities for your clients, guests or team members to experience something unique and inspiring. Bristol's flagship museum has been designed to retain the character of the former 1950's transit shed but with the addition of extensive hospitality facilities, is suitable for events of all shapes and sizes. Anything from small workshop meetings and large-scale staff entertainment, to weddings or celebratory dinners, can be brilliantly accommodated.

M shed's facilities comprise of the top floor Event Suite which offers a number of room options, as well as the first floor Studios 1 and 2 plus various foyer areas. All feature spectacular panoramic views across the harbour and city of Bristol.

The building's industrial heritage has been retained but now has purpose built amenities with state of the art lighting and AV solutions. The new facilities allow creative adaptation of the spaces for meetings, conferences, dinners, parties and weddings, which can all incorporate use of the roof top terrace.

This new museum, M shed, on Prince's Wharf in Bristol is no shed, rather a community attic over two floors, like Bristol's very own Smithsonian.

The canapés were lovely and were just the sort of thing we wanted and the meal went down an absolute storm. We have had people comment that it was the sort of meal you would eat in a 5 star restaurant.
